DeliTop

Only a trend until recently, now on everyone's lips: food without any taste enhancers, yeast extracts, hydrolyzed vegetable proteins and flavours. With our new DeliTop product line we are offering you a wide assortment of seasonings that anyhow convince with a special taste experience. High quality combinations of natural raw spices, spice extracts and dextrose offer an attractive taste and a lean declaration without E-numbers. Satisfy your nutrition-conscious customers with traditional sausages specialties, produced with DeliTop – a guaranteed success!
